WEEK'S SALE HEAVY TIPPED TO HEAD AT PARIS WAREHOUSE BIG COMMITTEES

Nearly a Million Pounds Sold
in Three Days on the
Local Market.

AVERAGE IS \$12.67.

Sale Saturday Goes Over the
Three Hundred Thousand
Pound Mark.

With good prices still prevailing,
the third sale of the week was held
Saturday at the Bourbon Tobacco
Warehouse. The week was the best
in the history of the house in the
quantity of tobacco sold and the prices
obtained.

The streets leading to the warehouse
almost any time during the
week were lined with wagons waiting
to be unloaded, and the capacity of
the house was taxed to the utmost.
The sale Saturday was the largest by
far of any single day during the present
season or last, and 309,615 pounds
were sold for \$40,286.12, an average
of \$13.01.

Some good tobacco was sold during
the week, but as a rule the offerings
have been of a very inferior quality.
Prices have ranged all the way from
\$1.50 to \$1 per hundred pounds.

The offering Saturday contained a
large amount of the inferior grade,
but prices for the quality were con-
sidered rather high. A good amount
of the colory tobacco was also of-
fered but market for this grade
was a little off. However, there was
nothing to indicate the least dissat-
isfaction on the part of the growers
who were highly pleased with the
prices obtained for their product and
rejections on the entire amount sold
were very few.

The highest average of the day was
made on a crop of 4,160 pounds,
which was consigned by Woodford &
Boughner, which brought \$17.01 per
hundred.

The three sales of the past week
aggregated 850,885 pounds, which
sold for \$107,783.41. Tuesday 246-
425 pounds were sold for \$30,883.28,
an average of \$12.53; Thursday, 294-
815 pounds, \$36,704.01, average \$12.45;
Saturday, 309,615 pounds, \$40,286.12,
average \$13.01. The average for the
entire week was \$12.67. Following
are a few of the crop averages of the
sale Saturday:

Hancock & Boyle sold 13,395 pounds
for \$2,191.78, an average of \$16.30.
Bryan & Meyers, 6,755 pounds for
\$902.48, an average of \$13.36.

Hutchcraft & Linville, 4,070 pounds
for \$574.60, average \$14.11.
Talbot & Rash, 6,280 pounds for
\$960.92, average \$15.29.

Mackey & Wagoner sold 11,450
pounds for \$1,725.86, an average of
\$15.55.

Ardery & Offutt sold 6,445 pounds
for \$986.89, an average of \$15.31.
Rash & Fletcher, 7,560 pounds for
\$1,057.42, an average of \$14.

Brice and Wallace Steele, 2,640
pounds for \$424.04, an average of \$16-
67.

Kenney & Kenton, 16,025 pounds for
\$2,478.50, an average of \$15.46.
Rash & Wallace, 6,155 pounds for
\$888.67, an average of \$13.62.

Plummer & McClure, 2,070 pounds,
for \$297, an average of \$14.47.
Andrew Reiffert, 6,905 pounds for
\$966, an average of \$14.

Ferguson & Neal, 10,965 pounds for
\$1,426.57, an average of \$13.10.
Grant Galloway, 4,410 pounds for
\$610.84, an average of \$12.

Woodford & Boughner, 4,160 pounds
for \$707.84, an average of \$17.01.
Receipts for the sale to-morrow are
heavy and it is expected another big
sale will be held.

CARLISLE

The Carlisle loose leaf tobacco
market was the strongest of the season
last week. Sales amounted to
1,100,000 pounds at averages running
from \$12.84 to \$13.20 per hundred
pounds. The highest price of the
week was \$28 per hundred.

SHELBYVILLE

Sales on the Shelbyville market
for the past week aggregated 1,116-
955 pounds, making the total for the
season 3,842,381 pounds. Prices
ranged from \$2 for green and frozen
to \$22 for bright leaf, the average for
the week being \$11.95 the hundred.
Prices for the week have been re-
markably uniform, the only variations
worthy of notice being a slight ad-
vance on the better grades and a cor-
responding weakness in the demand
for inferior types.

STEEL MILLS FORCED TO RUN ON FULL TIME AGAIN

At Pittsburg, Pa., a number of in-
dependent steel mills began opera-
tions yesterday, due, it is said, to
the appearance in the past few days
of specifications calling for approx-
imately 100,000 tons of finished steel
for immediate delivery. Operating
officials expressed the opinion that
the depression which for four months
has affected the industry was passing.
The orders affect some 4,000 men,
who have been idle or working one-
fourth time.

Hamilton and Moody Will Be
Chairmen of Revenue and
Taxation Committees.

FRANKFORT, Ky., Jan. 12.—Al-
though Lieutenant Governor McDer-
mott and Speaker Terrell have been
hard at work on the committees of
the House and Senate, they have not
yet completed their task, and they
will not be announced until tonight.
A number of tips are going the
rounds, however, regarding the chair-
manships of the more important com-
mittees.

In the House it is said that Shelton
Sausley, of Stanford, will be chairman
of the Committee on Appropriations,
while Elwood Hamilton, of Frankfort,
will head the Committee on Revenue
and Taxation, which is expected to
have the brunt of the work at the
present session. J. R. Mount, of Lan-
caster, is slated for the chairmanship
of the Railroad Committee, and Will-
iam Perry, of Louisville, will have a
place on the Committee on Revenue
and Taxation.

Senator W. B. Moody, of New
Castle, will head the Senate Commit-
tee on Revenue and Taxation, it is
claimed, while W. A. Frost, of Graves,
will be chairman of the Railroad Com-
mittee, and H. G. Overstreet, of Da-
viess, will preside over the delibera-
tion of the Senate Appropriations
Committee.

The Rules Committee of the House,
according to unofficial but accurate
information, will probably be made
up of the following men:

Claude B. Terrell, Elwood Ham-
ilton, Stanley F. Reed, Dr. J. N. McCor-
mack, John F. White, Guthrie Coke,
Jr., John C. Duffy, John E. Newman,
Glover H. Cary, William Duffy and
T. T. Moberly.

The House of Representatives was
called to order by Speaker Terrell at
12 o'clock, and after a few minor mo-
tions adjourned to meet at 7 o'clock
tonight, when the House committees
will be given out.

HAND OF PROVIDENCE SAVES CARPENTER'S LIFE.

Walking into an elevator shaft on
the third floor of the building of
Dangherty Bros., at the corner of
Main and Fifth streets, almost cost
the life of James Pendleton, a carpen-
ter in the employ of the Bourbon
Co., a few days ago.

Pendleton, with several other work-
men, were engaged in furnishing the
third floor of the building, which re-
cently underwent extensive improve-
ments. He walked across the room
and was seen by his companions to
plunge headlong down the elevator
shaft.

Themen in the room were almost
panic stricken, and hesitated to
venture toward the shaft, expecting to
see Pendleton crushed in the base-
ment about forty feet below.

In his decent Pendleton succeeded
in getting hold of a beam which was
projecting from the side of the unfin-
ished shaft, and clinging to it with
both hands, called for assistance.
His companions rushed to his aid and
soon had him safely on the floor
above.

Pendleton fell about six feet when
he came in contact with the beam, to
which he held, until relieved from his
perilous position. Aside from a few
bruises and the straining of the
muscles of his arms he was unin-
jured.

PARIS MASONIC LODGE HAS PUBLIC INSTALLATION

Paris Lodge No. 2, F. & A. M., pub-
licly installed the recently-elected
officers of the lodge at the Christian
Church Thursday evening. Past
Grand Master S. K. Veach, of Carlisle
conducted the ceremonies, which
were very impressive.

Appropriate music was rendered
by Mrs. Frank Fithian, Miss Flora
Hill, Dr. Frank Fithian, Chas. B.
Mitchell, A. L. Bonbright and A. H.
Morehead, with Misses O'Neil and
Crutcher at the organ.

About one hundred and twenty-five
Masons attended the ceremonies,
most of them being members of the
local lodge four visitors being present
from Millersburg and one from Lex-
ington.

The address for the occasion was
delivered by Rev. J. T. Sharrard, and
was a brief account of the origin and
history of the order, and a plea for
the growth and continuance of the
organization, which dates back to the
time of Solomon, and is founded upon
the Bible. The address was listened
to with profound attention, and was
greatly enjoyed.

Judge C. A. McMillan acted as
marshal on this occasion and Harry
Collins and Mitchell Jackson were
ushers. A large crowd witnessed the
installation ceremonies, which were
entirely new to the public.

\$30,000 FIRE VISITS THE CITY OF HARRODSBURG

The city of Harrodsburg was vis-
ited by one of the most disastrous
fires in its history, yesterday. The
fire started at 10:30 o'clock in the
third story of the Jones building,
located in the center of the city.
Three other buildings were burned.
The origin of the fire is unknown.
The loss is estimated to be in the
neighborhood of \$30,000, mostly cov-
ered by insurance.

MEXICO CITY NEXT ASSERTS GEN. VILLA

Federal Force in North Has
Been Crushed and Cam-
paign in South to Begin.

ON TO CHIHUAHUA.

Rebel Leader will Head Force
of 10,000 Men--Mexico
City Now Goal.

PRESIDIO, TEX., Jan. 12.—Believ-
ing the retreat of the Federal army
from Ojinaga, Mexico, had completely
crushed the Huerta government in
the North of Mexico, Gen. Francisco
Villa today said he would begin to-
morrow to move his army to Chihua-
hua preparatory to his campaign
southward.

Since nearly all the Generals who
were in Ojinaga have fled to the
United States, General Villa said he
would leave only a few soldiers on
the border near here.

At Chihuahua, he expects to have
a force of 10,000 men from which to
draw in attacks on Zacatecas, Aguas,
Calientes and Guadalajara.

"Mexico City has always been my
destination," said Villa.

The little village of Ojinaga is a
wreck from its recent bombardment,
but Gen. Villa has ordered it put in
condition. According to Gen. Ortega,
no military executions have occurred.

Major McNamee, commanding the
United States troops, has received
orders from Brigadier General Bliss
at San Antonio, to remove to the
nearest railroad station all the Fed-
eral soldiers and civilians now being
held in Presidio. This is Marfa, Tex.,
87 miles over a mountain road.

Federal Generals are in custody of
the United States troops awaiting
their disposition by the War Depart-
ment.

Gens. Salazar and Orozco are be-
ing watched for in the United States
on indictments charging them with
violating the neutrality laws.

Charges of cowardice were made
against Orozco, Salazar and Rojas.
General Mercado said these Generals
abandoned their troops at the begin-
ning of the battle and thus weakened
the Federal defense.

The only Generals who quit the bat-
tled with honor General Mercado
said, were those who accompanied the
Federal army across the Rio Grande.
At the retreat the Federals had an
average of only seventy-eight car-
tridges.

TWO GENERALS SURRENDER

PRESIDIO, TEXAS, Jan. 11.—The
Mexican Federal Army with its nine
Generals evacuated Ojinaga at 10
o'clock last night.

The triumphant forces under Gen.
Villa immediately occupied the vil-
lage.

General Salvador Mercado, who was
Huerta's chief military commander,
crossed the river and surrendered to
Major McNamee, of the United States
Army.

General Francisco Castro crossed
the river and placed himself under
the protection of United States troops.
He was followed by several subordi-
nate Generals.

ATTACK ON OJINAGA

PRESIDIO, TEXAS, Jan. 10.—The
attack of the Mexican Rebel forces on
Ojinaga was resumed late to-day.

Led by General Francisco Villa,
just before sundown the Rebel Army
drove back the Federal outposts, cap-
tured fifty men and opened a heavy
rifle fire on the Federal trenches,
backed by sharpnel from the Rebel
field guns.

General Villa, advancing from the
South, had with him only 1,000 men,
while Generals Herrera and Hernan-
dez led 1,200 from the West from the
base of the village of San June. The
main body of Rebels, comprising
about 4,800 men, advanced along the
river road from the East.

Steadily creeping toward the Fed-
eral fortifications, the Rebels, shrouded
in great clouds of dust, occupied
positions within four miles of the vil-
lage before they met resistance.

The Federal outpost then opened
fire, their rifle volleys being support-
ed by the fire of a few machine guns.
The rattling return fire of the Rebels
soon silenced the guns of the out-
posts.

The scattered Federals were
thrown into disorder and attempted
to retreat, but fifty were captured
and seven others threw away their
rifles and jumped into the river,
swimming to the American side.

The rout of the Federal outposts
had an immediate effect on the Fed-
eral garrison. Many other outposts
were withdrawn, the cattle were
driven into the village, and women
and children were dispatched across
the river to American territory.

The Kentucky State Poultry Asso-
ciation is a member of the Kentucky
Branch of the American Poultry As-
sociation, and is authorized to offer
the gold and silver medals of the as-
sociation. But one set of these med-
als can be awarded to any branch
during the year.
